

Such data as well as data concerning the decision taken on my application or a decision whether to annul, revoke or extend a visa issued will be entered into, and stored in the Visa Information System (VIS) for a maximum period of five years, during which it will be accessible to the visa authorities and the authorities competent for carrying out checks on visas at external borders and within the Member States, immigration and asylum authorities in the Member States for the purposes of verifying whether the conditions for the legal entry into, stay and residence on the territory of the Member States are fulfilled, of identifying persons who do not or who no longer fulfil these conditions, of examining an asylum application and of determining responsibility for such examination. Under certain conditions the data will be also available to designated authorities of the Member States and to Europol for the purpose of the prevention, detection and investigation of terrorist offences and of other serious criminal offences. The authority responsible for data processing in the case of Spain is the Ministry of Foreign Affairs, European Union and Cooperation (dpd@maec.es).

Conozco mi derecho a exigir, en cualquiera de los Estados miembros, que se me notifiquen los datos que me conciernen que están registrados en el VIS y el Estado miembro que los ha transmitido, y a solicitar que se corrijan aquellos de mis datos personales que sean inexactos y que se supriman los datos relativos a mi persona que hayan sido tratados ilegalmente. Si lo solicito expresamente, la autoridad que examine mi solicitud me informará de la forma en que puedo ejercer mi derecho a comprobar los datos personales que me conciernen y hacer que se modifiquen o supriman, y de las vías de recurso contempladas en el Derecho interno del Estado de que se trate. La autoridad nacional de supervisión [en el caso de España, la Agencia Española de Protección de Datos, con sede en Madrid, calle Jorge Juan, número 6, C.P.28001 (www.aepd.es)] atenderá las reclamaciones en materia de protección de datos personales. La Normativa aplicable en materia de protección de Datos Personales se encuentra contenida en la Ley Orgánica 3/2018, de 5 de diciembre, de Protección de Datos Personales y garantía de los derechos digitales y el Reglamento (UE) 2016/679 del Parlamento europeo y del Consejo de 27 de abril de 2016.

I am aware that I have the right to obtain in any of the Member States notification of the data relating to me recorded in the VIS and of the Member State which transmitted the data, and to request that data relating to me which are inaccurate be corrected and that data relating to me processed unlawfully be deleted. At my express request, the authority examining my application will inform me of the manner in which I may exercise my right to check the personal data concerning me and have them corrected or deleted, including the related remedies according to the national law of the State concerned. The national supervisory authority of that Member State [in the Spanish case, the Agencia Española de Protección de Datos; calle Jorge Juan, número 6, C.P.28001 (www.aepd.es)], will hear claims concerning the protection of personal data. The applicable regulations on data protection are contained in Organic Law 3/2018, of December 5, on the Protection of Personal Data and guarantee of digital rights and Regulation (EU) 2016/679 of the European Parliament and of the Council of April 27, 2016.

Declaro que a mi leal entender todos los datos por mí presentados son correctos y completos. Tengo conocimiento de que toda declaración falsa podrá ser motivo de denegación de mi solicitud o de anulación del visado concedido y dar lugar a actuaciones judiciales contra mi persona con arreglo a la legislación del Estado Miembro que tramite mi solicitud.

I declare that to the best of my knowledge all particulars supplied by me are correct and complete. I am aware that any false statements will lead to my application being rejected or to the annulment of a visa already granted and may also render me liable to prosecution under the law of the Member State which deals with the application.

Me comprometo a abandonar el territorio de los Estados miembros antes de que expire el visado que se me conceda. He sido informado de que la posesión de un visado es únicamente uno de los requisitos de entrada al territorio europeo de los Estados miembros. El mero hecho de que se me haya concedido un visado no significa que tenga derecho a indemnización si incumplo las disposiciones pertinentes del artículo 6, apartado 1, del Reglamento (CE) N° 399/2016 (Código de fronteras Schengen) y se me deniega por ello la entrada. El cumplimiento de los requisitos de entrada volverá a comprobarse a la entrada en el territorio de los Estados miembros.

I undertake to leave the territory of the Member States before the expiry of the visa, if granted. I have been informed that possession of a visa is only one of the prerequisites for entry into the European territory of the Member States. The mere fact that a visa has been granted to me does not mean that I will be entitled to compensation if I fail to comply with the relevant provisions of Article 6(1) of Regulation (EC) No 399/2016 (Schengen Borders Code) and I am therefore refused entry. The prerequisites for entry will be checked again on entry into the European territory of the Member States.
